Mr. William F. Caton
Acting Secretary
Federal Communications Commission
1919 M Street, N.W.
Washington, D.C. 20554

Dear Mr. Caton:

Pursuant to the Commissioner's Order in MM Docket No. 92-266, DA95-430, released March 7, 1995, submitted herewith, on behalf of Falcon Holding Group and affiliated entities ("Falcon") are copies of channel line-ups and rate cards covering cable systems operated by Falcon which serve the community units indicated on the attached list. As the Commission explained in the above-referenced Order, this submission will satisfy the requirements of Section 76.987(g) of the Commission's rules.

These channel line-ups reflect certain services which Falcon has made available on an individual, a la carte basis. Certain Falcon systems have also offered volume discounts to subscribers electing to receive particular groupings of such services. These materials include the notifications sent to subscribers regarding the initial offering of these options. As the Commission explained in its "Questions and Answers on Cable Television Rate Regulation" dated December 29, 1994, such a la carte packages are entitled to automatic treatment as unregulated "New Product Tiers" as of January 1, 1995.

Should there be any questions regarding this matter, please contact the undersigned.

Very truly yours,

Arthur H. Harding
